TIM's Tavern

(TIM = Together in Music)

Located in the White Center neighborhood of Seattle and adjacent to West Seattle, Burien, and Georgetown, TIM's (which stands for Together in Music) has great food, a full bar, and good company. Our venue is all-ages until 10 PM, and we have a full kitchen with omnivore and vegan menus plus gluten-free options, and a robust cocktail/bar list (21+ w/ID) and live music almost every day of the week on the regular!

See y'all at TIM's.

About the Money:

We do 60% of the door to the bands/40% of the door to the house (the "house" is Slim's) with a cap of \$500 to the house. That \$500 (at most) helps us pay for our sound guy, our door guy, taxes, performance rights organizations (ASCAP, BMI, SESAC) and ink pads. It doesn't cover any extra promotional expenses than our standard promotional efforts, so keep reading for more on that.

Ticket prices vary but unless otherwise decided will be \$10.00. It's up to you to figure out how your proceeds are going to be distributed amongst the bands on the bill, especially if you set up the bill amongst yourselves. In many cases, bands just split it up evenly, but every show is different. We highly recommend that if you're worried about the door-split among the bands, you sort it out well before the day of the show.

Other stuff:

- Hospitality: 2 drink tickets per band member and 50% off food
- 1 guest per band member – Remember, we keep our ticket prices low and you get paid from the door.

Schedule/run of show:

TIM's does either a full sound check or a line check before the show – whichever you prefer.

- **Load-In:** You can load in any time after 4 PM.
- **Doors:** Because we are also a restaurant, there might be diners in the place until doors open. That means that at "door time", we'll make sure folks have tickets. Door time may vary but is usually a half hour or an hour before the show.
- **Set Times:** These also vary, but a standard timing might be: first band 8:30 PM, second band 9:45 PM, third band 11 PM. We're a bar, so of course we want to keep the music going as close to midnight as we can.

Media and promotions:

TIM's is run by a tight crew of folks doing a lot of stuff to keep the place running. It's super-duper important that everyone involved in your show is working together, as a team, to be sure

we make it the best night possible. We need you to find the time and attention to ensure folks know about your show and are getting down to TIM's to be a part of it.

TIM's is going to:

- Make sure your show is on our website and calendars.
- Include your show in our local media, event listings outreach.
- Create a Facebook invite for your show.
- If you create some killer art for posters/flyers – we'll post that to our social networks. If you print posters up and bring them down, we'll post them around the club, too!
- If you want TIM's to produce some killer art and print posters/flyers – reach out to us about it and we'll see about making something happen. Poster art and printing all costs money, though, so keep it in mind.
- If you want a postering/flyering campaign (IE: posters up and around Seattle) – reach out to us about it and we can talk to some of the local flyering services and see what we can make happen. Distributing posters up and around also costs money, so keep it in mind.

TIM's very much hopes that you:

- Remember that while White Center is a neighborhood with plenty of bars and restaurants, we all have to make sure people know to get on down here for all the live-music action. Good news – there's pretty much always parking!
- Get your show posted (and tag us as collaborators) on any and all of your digital networks – Facebook, Instagram, TikTok - your website, etc.
- Put together artwork for your show. That's always awesome. Also, share it with us.
- Have a short bio available upon request for sharing with folks that are interested in the show. If you need an example, we provided our short bio in our info above.
- Don't have another show in Seattle within 10 miles/3 weeks of your TIM's show.
